LINING-OUT STOCK

HARDY DECIDUOUS AZALEAS

Contrary to general belief deciduous azaleas do not require an acid soil. All they ask is a good fertile garden soil. While they do quite well in shade they prefer full sun. They are among the best of our flowering shrubs and should be planted in larger quantities.

		Each	
	Per	100	1000

AZALEA MOLLIS—From Seeds—Mixed Colors

2 yr. X Liners	2 - 4"	.16	.14
2 yr. X Liners	4 - 6"	.20	.18
